Sunday Morning Sessions

6-week Inner Leader Series with 6 Amazing Souls

Sunday Mornings @ 9:00 a.m. PST via Zoom conferencing

Your Intuitive Guide and Mentor: Lisa A. Clayton

Lisa has been involved over the past few years with forming and facilitating small groups for raising the energetic vibration and frequency of heart intuition and intelligence to navigate life with more ease, peace and joy. She knows the collaborative and collective power of bringing small groups together to grow and expand their heart's wisdom and guidance. Groups experience amazing results in 60-90 minute sessions as each member is able to raise their heart's vibration to uplift their personal and professional lives; thus creating a "ripple" effect for others with their positive energy and higher heart consciousness.

The creative founder of the Inner Leader Movement, Lisa brings together human souls from all backgrounds across the globe to activate and open their hearts to:

- ***Unlock the power of heart intelligence and intuition for clear direction.***
- ***Establish courage and confidence through intuitive guidance.***
- ***Create a collaborative and uplifting energy to support life situations in the moment of now.***
- ***Learn from others their wisdom, passions and love for life.***

A recent member of the Inner Leader Sunday Morning Sessions shared:
